Welcome to Rio Metro Regional Transit District (Rio Metro)

Mission Statement

To provide safe, accessible, efficient, and innovative transportation services for the benefit of our diverse local communities and the regional economy. We strive to provide service that is responsible to public need, affordable, convenient, reliable, and that provides a safe and secure atmosphere for our passengers and employees.

To enjoy Rio Metro Demand Response service, it's important to learn how to use our system. This guide will explain how to:

- > Schedule (and, if necessary, cancel) your ride
- > Wait for your ride
- > Help make sure your trip is a pleasant one

First, we'd like to let you know what Rio Metro is, and what it is not.

What We Are

Public Transportation: Rio Metro Demand Response is a form of public transportation. We offer a shared-ride service to the general public* (*Valencia County only), elderly, and individuals with disabilities who, because of their disability, are unable to use the regular bus service.

You probably will not go directly to your destination because other riders may need to be picked up or dropped off first. In that way, we are like a shared-ride airport service.

Our Service Area: Rio Metro operates service in the city of Rio Rancho and Valencia County. If your pick-up and drop-off locations are within the service area, Rio Metro can take you where you want to go.

You can make an appointment to be picked-up from and dropped-off at almost any curbside location you choose within the service area.

Giving You Independence: Rio Metro helps you independently go wherever you need to go:

- > To keep a doctor's appointment
- > To take a class
- > To your paid or volunteer job
- > To a place of worship
- > To a store
- > To see a movie

And help connect you to anywhere else you wish to go...

- > Rail Runner
- > ABQ RIDE

Please note that under federal law (the Americans with Disabilities Act), all destinations must be treated as equal. For example, a person who needs to visit the doctor cannot get a quicker pick-up or a faster ride than a person who wants to see a movie.

Rio Metro Call Center: Rio Metro operates a call center that has two primary functions:

- > Rio Metro Customer Service can assist you in filing complaints, answering questions about the service, providing information about other transit options and other customer service needs. Call **1.505.245.7245**

Riders who need immediate assistance with urgent service problems will need to contact the appropriate Rio Metro division at the numbers listed below:

Rio Rancho	505.404.2063
Valencia County	505.352.3595

What We Are Not

We are not like a private taxi.

We are not a medical transportation service or a caregiver.

Riders must make a reservation a minimum of one day in advance before 12 noon, and up to two weeks in advance. Your ride may be shared with other Rio Metro riders.

Rio Metro Demand Response service is not the same as the bus. The bus has a fixed route and scheduling a ride in advance is not necessary. Riding the bus allows for more flexibility because you don't have to make a reservation a day in advance.

How to Ride

Getting Started

What Are the Eligibility Requirements?

Rio Rancho - Seniors 62 years of age and older and individuals with disabilities that are 18 years or older as defined by Title 49 Section 37 of the Transportation Services for Individuals with Disabilities Act Section 37.123(e), qualify for the reduced rate. Children up to age 17 can ride with eligible riders.

Valencia County - All riders are welcome, 9 years and younger must be accompanied by a guardian. Seniors 62 years of age and older and individuals with disabilities, as defined by Title 49 Section 37 of the Transportation Services for Individuals with Disabilities Act Section 37.123(e), qualify for a reduced rate.

Understanding Next-Day Service: You must schedule your trip a minimum of one day in advance before 12 noon, and up to two weeks in advance. Your ride may be shared with other Rio Metro riders.

So, if you want to ride somewhere tomorrow, you must call today, or as soon as you know you will be making the trip, to make a reservation. You may schedule just one trip or as many as six one-way trips per call.

Call the reservation number the day before you need a ride or as soon as you know you will need a ride!

Understanding Pick-Up Times: Rio Metro has a 15-minute pick-up window. This means that a vehicle is considered on time if it arrives up to 15 minutes before or after the scheduled pick-up time. For example, if the pick-up is for 11am, the vehicle can arrive any time between 10:45am and 11:15am and still be considered “on-time.”

If you are somewhere other than home, your bus should arrive at the location at the scheduled pick-up time.

Understanding Pick-Ups: Rio Metro Demand Response is a curb-to-curb (Valencia County) or door-to-door service (Rio Rancho). Curb-to-curb means that the driver cannot leave the vehicle to come to your door or enter your building. In most cases, our vehicles will not be able to enter private driveways, gated communities* (*Rio Rancho will enter gated communities) or gated apartment buildings. If you need help getting to the curb, please be prepared to rely on your personal care assistant, friend or relative.

Our vehicles will enter public roadways only if they are wide enough for safe driving. There must be room for our largest vehicles to exit without backing up. If you are not sure whether we will be able to reach a particular location, contact the appropriate Rio Metro division at the numbers listed below:

Rio Rancho	505.404.2063
Valencia County	505.352.3595

Understanding Wait Times:

Residence: If the bus arrives 15 minutes prior to your scheduled pick-up time, the bus will wait 5 minutes for you to board before proceeding to its next stop.

Non-Residence: The driver will wait only 5 minutes for you to arrive at the location. If the driver is early, the five-minute wait begins at your scheduled pick-up time.

You are always responsible for being at the curb or door when the vehicle arrives.

Understanding ‘Rider No-Shows’: When riders don’t show up for their scheduled rides, time and valuable public resources are wasted that could have helped other riders get to their destinations. If you are a No-Show, you will receive a written notice. A rider who has three (3) or more Rider No-Shows and those No-Shows exceed 10% of their scheduled trips in any single month period may be suspended from using Rio Metro Demand Response services.

The following situations are considered Rider No-Shows:

- > You cancel a trip less than two hours before the scheduled pick-up time.
- > You are not at the curb or door within five (5) minutes of the driver’s arrival (supposing the driver gets to the pick-up location at or after the reservation time).

The following situation is NOT considered a Rider No-Show:

- > The driver arrives after your 15-minute pick-up window, and you call to cancel the trip.

If your failure to show up or cancel in time was not your fault, you may call the appropriate Rio Metro division to explain what happened. You also have the right to appeal or dispute any No-Show decision.

Understanding Trip Cancellations: If you are unable to take a trip you have scheduled, call the reservation number as soon as possible to cancel your trip. Please be prepared to give the Reservationist your:

- > Name
- > Address
- > Scheduled pick-up time

If you cancel less than two hours before your scheduled pick-up time, you may be considered a No-Show.

Traveling with Children: Children may be eligible for Rio Metro. If your child uses Rio Metro and is 9 years of age or younger* (*Valencia County only), an adult or personal care assistant must accompany the child. All eligible riders, regardless of age, must pay the fare. Personal care assistants

ride for free. When scheduling a trip, please be sure to inform the Reservationist that the child will be traveling with an assistant.

Children nine years of age or younger scheduled to travel with an eligible rider ride for free (Valencia County only). Older children must pay the fare if they travel as a guest with an eligible rider.

Children must ride properly buckled in the seat in a safety or booster seat until they are at least 4', 9" tall. This is required by law. Rio Metro does not furnish safety or booster seats.

Planning for Your Ride

How to Schedule Your Ride

Remember to call the reservation number the day before or up to weeks in advance of when you need a ride. Reservation phone lines for each Rio Metro division are listed below, for hours of operation for each division see pages 13-14.

Rio Rancho	505.404.2063
Valencia County	505.352.3595

When calling to request a ride, please have the following ready for the Reservationist:

- 1) Your name.
- 2) The travel date.
- 3) Your pick-up address (This must be the exact city, street address and cross streets).
- 4) Your destination address (This must be the exact city, street address and cross streets).
- 5) The time that you would like to be **picked up** from the pickup address (i.e., from home) **or** the **earliest time** you can be picked up from pickup address (i.e., from work) **or** the time that you would like to **arrive at** your destination (e.g., doctor's office). You may not request both a pick-up time and an arrival time. You may choose one or the other.
- 6) You should schedule your return trip for the latest time you think you

will be able to travel. You must always ask for a return trip. Scheduling of return trips is not automatic.

- 7) Whether you will be traveling with a mobility device or service animal.
- 8) How many people will be traveling (including a personal care assistant or guests), and whether any of the other people will be using a mobility device or service animal. If the rider is a child age nine or younger, an adult or personal care assistant must ride with the child. PCAs and companions must have the same pickup and drop-off locations as the passenger.

Before completing the call confirm your trip details. You should also have a pen or pencil handy to write down the Reservationist's name, date and time of your pick-ups.

Subscription Trip

If you need a series of rides for an extended period of time on the same day(s) of the week, at the same pick-up time and from the same pick-up/drop-off address, you may ask for a Subscription Trip. Customers who are granted subscription service can enjoy the convenience of having their trips automatically scheduled without you having to call in advance to schedule the ride.

Reserving Your Subscription Trip: Please try to call the reservation number at least two weeks before you want your Subscription Trip.

Changing Your Subscription Trip: If you need to make a one-time change to your Subscription Trip, you will need to cancel the trip and schedule the new day and time by using the regular reservation system. This must be done in advance.

Canceling Your Subscription Trip: If you must cancel your Subscription Trip, please call the reservation number two hours before the scheduled pick-up. Otherwise, you will be counted as a No-Show.

You may cancel a Subscription Trip ride for as many as 30

trips in a row. Once you have reached the 31st cancellation, the Subscription Trip for that ride will be permanently cancelled. Once a Subscription Trip is lost, any future requests for Subscription Trips are treated as new requests.

Limited Number of Subscription Trips: Since Rio Metro has a limited number of Subscription Trips available at any given time, we may not be able to approve your request. In that case, your Subscription Trip request for that day will be placed on a waiting list. You may still make a regular next-day reservation for that trip while you wait for approval of your Subscription Trip.

Subscription Trip Service No-Shows: Due to high demand and limited availability of subscription service, customers with a pattern or practice of no-shows and/or late cancellations will lose their subscription trip. Please see the No-Show, Late Cancellation and Cancellation Policy on pages 22-25.

Penalties for Excessive Subscription Trip Service No-Shows: Customers with subscription trip service will follow the same No-Show and Late Cancellations Policy as Rio Metro customers scheduling individual trips. Please see the No-Show, Late Cancellation and Cancellation Policy on pages 22-25.

Other Rules for Subscription Trips:

- > You must reserve your rides for at least six weeks in a row.
- > If you need a series of rides on different days of the week, the pick-up times do not have to be the same.
For example, you can ask for a 7am pick-up on Mondays and an 8am pick-up on Wednesdays.
- > Subscription Trip rides will automatically be cancelled on the following days:

New Year's Day
Martin Luther King, Jr. Day
Memorial Day

Waiting for the Vehicle

Rio Rancho: Is a door-to-door service, so the driver will be able to exit the vehicle to assist passengers from the door to the bus.

Valencia County: Is a curb-to-curb service, so the driver does not leave the vehicle to enter a building or even come to the front door. You must be at the curb for pick-up. If you need help to get there, it is recommended that you have a personal care assistant, relative or friend available to help you. If you

do not have anyone to help you to the curb, when making your reservation you may request a Reasonable Modification.

For more information regarding Reasonable Modification, you can look on page 21 or online at:

Your Personal Care Assistant and Guest(s): Your personal care assistant (PCA) rides free. If one or more guests come with you, they must pay the same fare you pay* (*Valencia County only). You are responsible for your PCA or guest and are responsible for canceling their ride as you would your own. PCAs and companions must have the same pickup and drop-off locations as the passenger.

Children Age Nine and Younger: If your child uses Rio Metro and is nine (9) years old or younger, an adult or PCA must ride with the child.

- > Explain the consequences of not taking scheduled trips to the dial-a-ride system and other riders.

Customers may submit a request to excuse any no-show or late cancellation that they believe to be incorrect or beyond their control within fourteen (14) days from the date of the Warning Letter.

If there is no response received to the Warning Letter within fourteen (14) days and the number of no-shows or late cancellations exceeds 10 percent of their trips and the rider has three or more no-shows or late cancellations:

Action taken: An Intent to Suspend Letter will be sent to the rider's address of record. Warning Letter may be sent to the rider's address of record.

If there is no response to the Intent to Suspend Letter within fourteen (14) days:

Action taken: A Final Suspension Letter will be sent to the rider's address of record.

- > Rio Metro will provide thirty (30) days from the date of the Final Suspension Letter to allow the rider to make alternative transportation arrangements. Please see the No-Show and Late Cancellation Appeals Policy on page 25 for more information.

No-shows and late cancellations will be tracked each month. However, it is the Rider's responsibility to track his/her late cancellations and no-shows to ensure that they are kept within an acceptable level. It is also the rider's responsibility to ensure that Rio Metro is properly informed of any change in mailing address to ensure all correspondence is received in a timely manner.

No-Show and Late Cancellation Requests/Appeals

If a rider's no-shows or late cancellations exceed 10% of their overall scheduled monthly trips and he/she has accrued three (3) or more no-shows or late cancellations in a calendar

month and receives a notice of suspension, the suspension may be appealed with an appeals panel. Complete information about the appeals process will be included with the service suspension letter. The rider will have fourteen (14) days to appeal the suspension and will receive notification within 30 days of the appeal decision before a suspension takes effect.

Subscription Service Suspension

The No-Show and Late Cancellation Policy applies to all Rio Metro customers including those who receive subscription service.

If a subscription rider receives two (2) service suspensions in a floating 12-month period, the subscription will be cancelled. The rider will still be able to schedule trips on Rio Metro when the second suspension is over; however, the subscription will be cancelled, and the customer will be required to call Rio Metro to book all future trips.

Frequently Asked Questions

May I reserve more than one trip at a time?

Yes, you can reserve as many as six one-way trips per telephone call.

I reserved a return trip from my doctor's office for 4:00pm but my appointment was finished at 4:30pm. The bus did not wait for me.

Unfortunately, we may not be able to reschedule a pick-up on short notice. That's why we ask you to schedule your pick-up for the latest time you think you will be ready taking in to account that an appointment may take longer than expected.

What if the vehicle doesn't arrive on time?

First, be sure you have waited 15 minutes after your scheduled pick-up time. Then call the reservation number and ask for an estimated time of arrival. If the vehicle still

does not arrive by that time call the appropriate Rio Metro division for further assistance.

Can I ask for a certain kind of vehicle?

No, you cannot request a specific type of vehicle.

How can I tell that the vehicle is a Rio Metro vehicle?

All certified Rio Metro vehicles are clearly marked with Rio Metro identifiers and logos.

Why did the vehicle travel a route that did not make sense?

Rio Metro is a type of public transit, a shared-ride service, so your route probably will not take you directly to the place you want to go. Your trip time will usually be longer than if you traveled by car or took a taxi.
